

Impressions and Assumptions

- Form a group (2p)
- Go to seek.com.au and find a job position you like
- Write a profile section of a CV for that position
- Give your profile and the job position to your group mate
- Write a paragraph about your impression about the other group mate profile without talking to him/her
- Discuss and compare your profile and feedbacks

 - How can you improve the impression you make by your profile?
 - How do you think this impression is important?
