

## Prac for Week 2: Interpersonal Communication Skills

- Form a team (3-4 people)
- Write your own individual communication strengths and weaknesses in bullet points.
- Discuss one of your communication weakness and one strength with group members
- Take the Interpersonal Communication Skills Test  
**<http://goo.gl/4sKdFd>** (note: URL is case sensitive)
- Compare your bullet points with your test result.
- Discuss and compare the test results with other group members:
- What are your communication strengths and weaknesses?
- What are your group communication strengths and weaknesses?
- How can a group help you to improve your communication skills?

“Communication – the human connection – is the key to personal and career success.” ~Paul J. Meyer
